# 2023 Chapter Vitality & Help Needed

## Plans for 2023?

Examples: New programming/outreach based on 2021 Pandemic Leanings?

To my amazement - - CTS EDS is considered a strong & active Chapter by EDS National leadership - - to that end - I was asked to serve as Region 5&6 Newsletter Editor [Western & Central US]

And as

Regional VP for Regions 4&5 [Central & Eastern US]

My initiatives:

- See if I can get some US Newsletter articles in-between the Region 10 avalanche
- Promote meeting sharing between active EDS Chapters and use this to try to energize the quiet ones. [Copying our success in CTS overall]
