

# IEEE Region 5 Sunday Fun Day STEM Session

# STEM Champion Applications

- ▶ Due April 7
- ▶ All active IEEE Members conducting STEM outreach for pre-university (school-aged) students and/or teachers on behalf of IEEE. Champions will be selected across all Regions.

# Lesson Plan Overview

- ▶ Developed by Elkins Robotics Electronics Club (IEEE Local Group) Volunteers
- ▶ Can be used with students K-8, but mostly geared towards grades 3-7
- ▶ Sequence of 7 one-hour sessions; many can be modified to be used for a one-time event
- ▶ This is our introductory series. We have many other lesson plans we're happy to share.
